

Olive Behavior Care - Parent Support

Is Parent Support right for me?

We are here to support ALL parents!

Parents figuring out where to start...

- Parents who want a little extra support without a big commitment
- Parents looking for support but don't know where to start!
- Parents who have been advised by teachers, doctors etc. that their child may benefit from therapy/therapies.

Parents who's children currently receive support...

- Your child has been in therapy forever but you still want an extra set of eyes and ears to bounce ideas off of and get objective advice.
- Your child is enrolled in a Special Education program and you'd like ongoing consultation.
